2. When to Submit to School:

Students are encouraged to turn in labels at any time. BoxTops mailing deadlines are October and February. Labels for Education mailing deadlines are December and May.

3. How to Submit to School:

Students are asked to turn in all labels in a Ziploc bag. Collection Bins are found at the entrances to Pompo and Center.

4. Goals:

- **Box Tops Goal:** \$2,000. These funds purchase books for the school libraries. Goal combines earnings from BoxTops, GrowingLocalLearning, and eBoxtops.
- **Labels for Education:** 10,300 points. These points are redeemed for items to be used by the music, art, and athletics departments.
- **Hannaford Helps Schools:** \$600.

5. Extra Helpful Suggestions:

- Please trim Box Tops along dotted line to eliminate excess paper/cardboard. This reduces the cost for shipping.
- Make sure expiration date is FULLY INTACT and not expired (or else they cannot be redeemed).
- Labels for Education uses the UPC code for redemption. For V8 beverages, you redeem the caps.
- Sign up at GrowingLocalLearning.com and earn 50¢ for our school! As of 9/29, we have 14 Growing Local Learning supporters for Pompo/Center. Sign up today!
- You can enter the GrowingLocalLearning codes yourself, or send them in with your child. Watch the expiration date!
- Join the online communities of Box Tops for Education, Growing Local Learning, and Labels for Education for money saving coupons, store sales alerts, and to earn extra for our schools through sweepstakes and other bonus offers.
- Visit each program's website for a complete listing of eligible products. Many new products have joined the Box Tops and Labels for Education families.
- Do you shop online? Sign up at www.btfe.com/marketplace and earn Box Tops every time you shop.
- Get as many people involved in clipping and saving as you can. Ask friends, neighbors, grandparents & co-workers!

Can't get enough Box Tops or Labels for Education?
