

# ARE YOU AN ARTIST?

We'd like YOU to design the cover of the 2010-2011 Stow School Directory!

**You could be famous!** Friendships are important at school and so is treating your friends and classmates with kindness and respect. Draw a picture about your friendships at school and why they are important to you. What does friendship mean to you? What makes you a good friend? What do you do when you meet a new kid at school? How might you stick up for a friend? How do you cheer up a sad friend? What fun things do you and your friends do together? Use your imagination, and any medium you want (markers, pencils, paint, crayons, collage...) but keep all artwork within the borders of the box below. **Return this completed entry to your school office by September 10, 2010.** The judges will select one or more entries to be printed on the cover of next year's school directory, and many others will be featured on the pages inside.

**Be creative and have fun!** Open to all Stow students who will be in grades K-8 in the 2010-2011 school year. If you need an extra copy of this form it will be available on the Stow PTO Website at <http://www.stowpto.org>. For any questions please email Kristen Straub or Jane Bolinsky.

Your Name: \_\_\_\_\_ Grade in Fall 2010 \_\_\_\_\_

Please write a short description of your artwork here: \_\_\_\_\_
